

SPEX EDUCATION AT IMSC

WHAT IS IT?

The **Singapore Sports Institute's Sports Excellence (Spex) Education Scheme** is a customised scheme where it aims to implement a comprehensive athlete support system to help student-athletes achieve in their sport at the highest possible level without compromising their academic aspirations. The **International Management and Sports College (IMSC)** is one of the Institutes of Higher Learning that has come on board as a SpexEducation Partner to promote various academic flexibility and support for our local student-athletes.

Benefits of Spex Education Scheme at IMSC:

- Academic flexibility (alternative academic scheduling/learning modes/assessment modes)
- Academic support (study materials, course consultation, education counselling etc) where necessary
- Local & overseas Athlete-friendly pathways
- Support letters for admission/scholarship applications
- Support for leave of absence during term time for training camps and competitions
- Potential IMSC Study Award/Scholarship
- Provision of extended duration of study as long as it is within the maximum stipulated period

IMSC courses include:

- Diploma of Sports Science and Coaching
- Diploma of Sports Science and Management
- International Sports Diploma in Sports and Exercise Science (Sports Fitness)
- Diploma of Business and Retail Management
- Diploma of Hospitality and Tourism Management
- Advanced Diploma of Hospitality and Tourism Management
